

# Player Development Program

## 2<sup>nd</sup> Grade

### Summer Intro Program

The Player Development Program is a year round comprehensive progressive training program designed to help the individual player develop their technical skills and prepare them for travel soccer at the age of ten.

This program is not for every player; it's for the player showing an interest in playing soccer at a higher level. It will be demanding and consists of lots of repetitive practice.

The 2<sup>nd</sup> Grade Intro program allows the young player the opportunity to evaluate the program before committing to the year round 3<sup>rd</sup> Grade program starting November 2007.
